

PRANAV LABDHE

FULL STACK DEVELOPER INTERN

Dahisar, Mumbai | labdhepranav@gmail.com | Phone : +91-9769595992 | [LinkedIn Profile](#) | [GitHub profile](#) | [Portoflio Website](#)

PROFESSIONAL EXPERIENCE

SEO Trainee, Infidigit (January 2025 – April 2025)

- Conducted on-page SEO audits for [lecalla.com](#) using GSC, SEMrush & Screaming Frog; optimized 30+ category pages with content structure, meta tags, internal linking, and weekly keyword reports.

Frontend Engineer, PayNearby (June 2022 – March 2024)

- Optimized the UI development process**, resulting in the accelerated development of critical revenue-generating projects such as (DMT) Money Transfer and (AePs) Aadhaar Enabled Payment System.
- Created a custom design layout template using HTML/CSS, resulting in an impressive **80%** reduction in **UI development time**. This significantly enhanced efficiency and productivity for the team.
- Daily responsibilities include co-ordinating with product manager and collaborating with UI/UX designers to make a compelling mobile responsive UI.
- Assisted **Angular Developers** in resolving design related issues on the web app.
- Worked on developing small UI modules for the company’s internal projects.
